“Inspiring Imaginations”

November 22nd 2019

Dear Parents and Carers

Fourteen children from Year 2 went to the Dementia Café on Thursday to read books, play games and sing. We were very proud of they joined in and were lovely role models for our school. The attendees particularly enjoyed singing songs with the children.

We have started Outdoor Learning every Wednesday afternoon. Please ensure wellies and suitable clothing are in school.

Please find a list below of all the Outdoor Learning activities your child will experience throughout the year 😊

- Games in the Woods- walk to a local woodland to explore and play games
- Art in the woods- walk to a local woodland and make pictures using natural resources
- Weather- explore a vane and make a range gauge
- Gardening – maintain the school grounds and plant bulbs
- Cooking around a fire- marshmallows and songs around the fire
- Archery- using a bow and arrow accurately adding up scores
