## “Inspiring Imaginations”

April 16<sup>th</sup> 2021

Dear Parents and Carers

We hope you enjoyed the Easter break. The children have settled back well into their routines and learning.

Mrs Wicklund has thanked everyone for her kind wishes and gifts and made the front page of our favourite magazine!

The children enjoyed having their class photos taken last week and we look forward to seeing the finished photographs.

We are pleased to be moving to year group bubbles this week, which will mean that although adults will remain in their own classrooms, the children will mix at break times and Reception and Year 1 will be able to use their outdoor learning areas together. All are safety measures will remain in place and we appreciate the support of our parents in socially distancing, wearing facemasks and remembering only one adult to drop off and pick up times.

We are very excited as we have a Go-Go Dinosaur coming to our school soon to add to the Elephant, Dragon and Hare we already have. All the children will be involved in decorating the dinosaur.

We are aware that Falcon Junior have an inset booked for Monday 20<sup>th</sup> September but we will be in school as usual.

Well done to children who received Greatness Certificates in assembly last week:

Rabbit Class Odin, Oscar and Mia-Mai	Owl Class Logan, Paisley and Maylee
Hedgehog Class James and Leo	Squirrel Class Millie and Oliver
Fox Class Matthew and Beau	Bumblebee Class Jimmy and Lilah

### Birthdays this week

Happy birthday to Oliver and Millie in Reception, Junior, April and Maxwell in Year 1 and Harrison, Freya, Reggie ad Aurora-Ann in Year 2, who all had their birthday during the Easter holiday.

Our overall attendance this week is 97.84%. Well done to Rabbit Class for the best attendance with 98.71%. For this Year, our overall attendance is 96.79%.
